Course Information

Welcome to the 2020 Summer Academy, held at Jackson Elementary School. Students who will be 5 by September first are strongly encouraged to participate in **Kindergarten: Here We Come!** This kid-friendly, play-based class helps students move from 4k to 5k successfully and includes for both sessions: literacy instruction in math and reading, arts and crafts, snack time, social play/how to be a good friend and much more! During the month of June the district offers our kindergarten students various community speakers who bring Safety Town, health, and wellness programs. Additionally, we have a community donor that allows June and July participants to go on a field trip to Matheson Memorial Library. Come join us in summer academy and assist your child in their transition into full day kindergarten for the fall. Questions regarding summer academy for incoming 5-year-old Kindergarteners should be directed to:
